## YOUR CHILD TESTED POSITIVE FOR LEAD – NOW WHAT? SIX STEPS TO HELP YOUR CHILD GET HEALTHIER

### STEP #1: CALL TO GET HELP FOR YOUR CHILD

#### FOR KIDS WITH MEDICAL ASSISTANCE (MA) OR THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

- Your Medical Assistance or CHIP plan will help you get the care your child needs such as testing your home for lead, getting the lead out of your home and getting health care services.
- Find your insurance plan below, call the number listed and ask for help.

**Amerihealth Caritas (MA)**  
1-(800) 684-5503

**Geisinger (MA & CHIP)**  
1-(855) 214-8100

**Health Partners (MA & CHIP)**  
1-(866) 500-4571

**UPMC (MA & CHIP)**  
1-(866) 463-1462

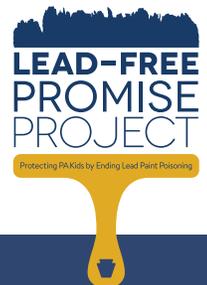

#### FOR KIDS WITH PRIVATE INSURANCE

- Call the 1-800 number on the back of your child's health insurance card and ask, "My child tested positive for lead. Can you help me get my house tested for lead and my child health care services?"

#### FOR ALL KIDS

- Call your local health department or state health center and tell them, "My child tested positive for lead. Please help me get my house tested and my child health care services."

## STEP #2: GET YOUR HOME TESTED FOR LEAD

### FOR KIDS WITH MEDICAL ASSISTANCE (MA) OR THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

- All Medical Assistance and some CHIP plans will pay to have a company test your home for free.
- Your child's doctor needs to contact the company and tell them your child tested positive for lead.
- You can call the company and schedule the test. Find your insurance plan below and call the number listed to schedule a test.

## STEP #3: GET THE LEAD OUT OF YOUR HOME

### HIRE A HOME LEAD REMOVAL COMPANY

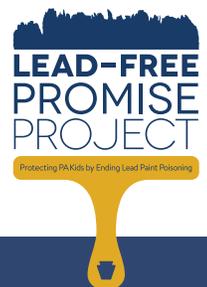

- The Environmental Protection Agency (EPA) and the PA Department of Labor and Industry have lists of approved lead removal companies you can hire. The EPA list is here - [bit.ly/EPAAbatement](https://bit.ly/EPAAbatement) and the PA Department of Labor and Industry list is here - [bit.ly/PAAbatement](https://bit.ly/PAAbatement).
- Call more than one company to compare prices.

### CALL YOUR LOCAL WEATHERIZATION OR HOUSING REHABILITATION PROGRAM

- This **Weatherization Program** for homeowners and renters is not specifically for removing lead hazards in homes, but the program can remove old windows with deteriorating lead-based paint, which are a major lead hazard.
  - Northern Tier Community Action Corporation  
Weatherization Program  
(814) 486-1161
- This **Housing Rehabilitation Program** is for low-income homeowners to do critical household repairs/ replacement for heat and hot water appliances, roofs, plumbing and electrical systems, and unsafe doors and windows, but they can also address problems that cause lead hazards and remove those hazards as part of the repair/replacement process.
  - Cameron County Office of Community & Economic Development  
Housing Rehabilitation Program  
(814) 486-3439

**Important:** Removing chipping and peeling lead paint can be dangerous if it's done by a person or company that is not certified to work with lead. Please do not remove the lead without a certified person or company.
